Re: The Chemical Recovery Systems Site, Elyria, Ohio

Dear Ms. Adams:

I am responding to the Environmental Protection Agency's ("EPA") General Notice of Potential Liability and Request for Information pertaining to the Chemical Recovery Systems Site ("Site"), directed to McKesson Corporation ("McKesson"). McKesson received your request on June 10, 2004.

McKesson responds that it has recently joined the Chemical Recovery Systems, Inc. Site Group. McKesson understands that the Site Group is working with the EPA on the remediation of the Site, including funding the completion of the Remedial Investigation/Feasibility Study work at the Site. McKesson thus intends to participate, through the Site Group, in the funding of these activities, as well in the Group's participation in the remedy process.
